CBE2124 – Analysis of Chemical and Biological Processes
Homework No. 5

1. Problem 6.11
2. Problem 6.23 – Note: definition of relative saturation $s_r$ is given in equation 6.3-4.
3. Problem 6.53
4. Problem 6.54
5. Problem 6.74

Problem solutions will be distributed separately.

**NOTES on HW solutions:**
In problem 6.54 there is a numerical typo in the last line….it should be 90.7 psig, not 150.8 psig.
